

# THUNDER BLINK

BRIGHT EYES,  
HAPPY TAILS

FOR DOG  
EYE  
HEALTH

Thunder Blink capsules contain a blend of key nutrients, including MaQxan® Marigold Extract, EVTeneSol™ *Elaeis guineensis* Extract with Mix-carotene Powder, Bilberry Extract, Vitamin E, Flaxseed Oil Powder, Grapefruit Extract, and Wolfberry Extract to support healthy vision, protect against oxidative stress, and maintain eye comfort in dogs.

## Key Ingredients

### MaQxan® Marigold Extract (*Tagetes erecta*)

- A branded Marigold Extracts
- Contains lutein and zeaxanthin that function as antioxidants and vision support

### Bilberry Extract

- Contains anthocyanins
- Antioxidant effects on cognitive functions

### Flaxseed Oil Powder

- Rich in omega-3 polyunsaturated fatty acids (PUFA) and  $\alpha$ -linolenic acid (ALA)
- Widely used as an anti-inflammatory

### EVTeneSol™ *Elaeis guineensis* Extract Mix-carotene Powder

- A natural mixed carotene extract
- Contains alpha, beta and gamma-carotene, lycopene and other carotenes

### Vitamin E

- An essential micronutrient
- Fights the progression of AMD and cataract

### Grapefruit Extract

- Has high contents of naringin
- Neutralize free radicals and reduce oxidative stress

### Wolfberry Extract

- Zeaxanthin dipalmitate (ZD) is a major carotenoid
- Has a strong antioxidant and anti-inflammation functions

## Overall Benefits of Thunder Blink

- Supports retinal and macular health
- Helps filter harmful blue light
- Promotes sharper vision and eye comfort
- Helps delay age-related eye degeneration

## Overall Uniqueness

- **Plant-based** and antioxidant-rich
- **Specifically formulated** for canine vision needs
- **Holistic approach** to support aging eyes
- **Ideal for elderly dogs** showing early signs of cataract or lens cloudiness
