

THUNDER VITANMN

YOUTHFUL ENERGY
IN EVERY PURR

**FOR CAT
LONGEVITY
AND
VITALITY**

Thunder VitaNMN tablets contain a blend of key nutrients, including Beta-Nicotinamide Mononucleotide (NMN), Mushroom Blend (Shiitake, Lion's Mane, Reishi, Tremella, Turkey Tail), Biotin, Natural Vitamin E and Fennel Seed Extract to support vitality, strengthen antioxidant defenses, and promote healthy aging in cats.

Key Ingredients

Beta-Nicotinamide Mononucleotide (NMN)

- A direct precursor to NAD⁺ (Nicotinamide Adenine Dinucleotide)
- Promote cellular energy, repair, and longevity through enhanced mitochondrial function, sirtuin activation, and oxidative stress reduction

Mushroom Blend (Shiitake, Lion's Mane, Reishi, Tremella, Turkey Tail)

- Enhance immune response, mental clarity, energy levels, and overall vitality
- Have been traditionally associated with vitality and longevity support

Biotin

- Also known as vitamin B₇ and vitamin H
- A water-soluble B vitamin
- Acts as an antioxidant
- Regulates the production of pro-inflammatory cytokines in the immune system

Vitamin E

- An essential micronutrient
- Act as an antioxidant to enhance animal health and immune function

Fennel Seed Extract

- Rich in phytochemicals, including phenols, alkaloids, terpenoids, flavonoids, glycosides, tannins, and saponins
- Exhibit antioxidant properties, preventing oxidative stress-related ailments

Overall Benefits of Thunder VitaNMN

- Promotes vitality and long-lasting energy
- Supports healthy aging and cellular renewal
- Enhances antioxidant protection
- Strengthens immune function and resilience

Overall Uniqueness

- **NMN formula** for feline vitality
- Supports **energy, immunity, and longevity**
- **Broad-spectrum antioxidant** protection
- **Gentle and digestive-friendly** for cats
